

Trek Parts

Trek Part - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning trade. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have more than 60 years combined experience with effectively designing, developing, marketing, manufacturing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are devoted to offering top quality and new design concepts so as to meet the diverse needs of their clients.

TREK Cleaning Machines continually provides fresh design concepts as proven in their product development. They enjoy providing items which energize both their partners and their dealers and offer production gains to their clients.

The team at TREK likes dealing with new challenges and tasks. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the understanding of operators' needs and skills together with their comprehension of cleaning applications, along with owners' strong desire to considerably lessen cost through productivity gains.

When considered necessary, the staff members within TREK and its numerous dealer members in both technical support and parts will be obtainable. Among their core values is their high service dedication in their customer service. Keeping their clients' cleaning machines ready and functioning day by day is top priority. The company's top of the line technology delivers reliable equipment which eventually lessens your cost of cleaning. The service, the product and the price all work together to make them the leader in the industry.
